RESTAURANT

Explore an unforgettable fine dining experience – the Norseman Restaurant in L'Anse aux Meadows. Relax in the restaurant next to a warm fire. Take in the fabulous view of the ocean where icebergs and whales cross paths. Select your wine from an extensive list as our chef prepares locally harvested seafood and other specialties.

Legendary fish chowder... smooth butternut squash, sweet potato, onion and asparagus soups ... large scallops in white wine sauce... aromatic baked cod in Dijon mustard sauce... juicy striploin steak... local lamb... caribou tenderloin... all served with steaming fresh local vegetables. And for dessert... tart partridgeberry pie... sumptuous bakeapple cheesecake... fresh ground coffee... and drinks served with iceberg bits – the purest ice on the planet.

Tales of L'Anse aux Meadows is dinner theatre with a Newfoundland twist:
